

'Samman Patra' Awarded to IPSR

Award incorporated by Dept. of Revenue, Ministry of Finance, Government of India for Outstanding Revenue Performance

Dr. Mendus Jacob, MD & CEO of IPSR Solutions Ltd. receives Samman Patra from Mr. Vineet Ohri - IRS, Chief commissioner of Customs, Central Excise & Service Tax, Kerala Zone.

IPSR bagged the Prestigious 'Samman Patra' award incorporated by the Department of Revenue, Ministry of Finance, Government of India for Outstanding Revenue performance. The Award was handed over to Dr. Mendus Jacob, MD & CEO of IPSR Solutions Ltd., by Mr. Vineet Ohri - IRS, Chief Commissioner of Customs, Central Excise & Service Tax, Kerala Zone. The Award showcases the growth and excellence of IPSR in delivering quality services with strict adherence to ethics and values. Dr. Mendus Jacob described this award as the true recognition to the quality policies that IPSR has always cherished.

OSBRC launched

A major attraction for the open source community, at the inauguration of IPSR Trivandrum branch was the launch of OSBRC, the Open Source Based Research Centre, which will be based in Kochi and spread over all the branches of IPSR in Kerala. The centre will felicitate high-end study & research in Open Source technologies.

IPSR Launched @ Thiruvananthapuram

IPSR has launched its new branch at Thiruvananthapuram, the royal capital of Kerala. The official inaugural ceremony was held on 4th of December 2010. The function was attended by delegates from Red Hat, leaders of corporate houses and students. The launch is expected to give an extra boom to the drastic growth that IPSR has demonstrated in the recent times. Services offered by IPSR in various streams of Information technology will be made available at the newly launched branch at Thiruvananthapuram.

Achievements in Open Source

- ▶ 8 years of operations in Linux, 8 Awards from Red Hat
- ▶ Produced the highest number of RHCEs (3000+) and RHCSS (36 as on February 2011) worldwide
- ▶ Produced world's youngest RHCE (11 years old) and world's youngest RHCSS (13 years old)
- ▶ 1 out of 20 RHCEs in the world is from IPSR
- ▶ 1 out of 3 RHCSSs in South Asia is from IPSR
- ▶ Winner of Red Hat Asia Pacific International Award 2008, 2009 & 2010
- ▶ Winner of Red Hat GLS National Award 2004, 2005, 2006, 2007 & 2008
- ▶ Established OSBDC (Open Source Based Development Centre) & OSBRC (Open Source Based Research Centre) and

Awards & Honours

It was an ecstatic, vivacious moment for IPSR at the Red Hat Asia-Pacific Partners Conference held at Bali. We were awarded the Red Hat Asia-Pacific International Award 2010 for the best training partner in Asia Pacific. IPSR is now the leader in Red Hat certifications in Asia Pacific Region having bagged the Asia Pacific Award for the third consecutive year.

Dr. Mendus Jacob, CEO and MD, ipsr solutions ltd, receives the award from Mr. Ian Gray, Vice President, Red Hat Services & Mr. Kenny Khaw, Senior Director for Services

Academic projects @ IPSR

IPSR now offers students, an opportunity to do their academic projects under the guidance of Industry professionals. Selected candidates are offered assistance to do projects in latest technologies like .NET, Java, PHP etc... We also offer Linux based projects for selected students.

Top Notch Institution Including the Vellore Institute of Technology (VIT) and SASTRA University, Tamilnadu, have honoured academic projects guided by IPSR by awarding them with the 'Best Academic Project' title!

Academic projects for M.Techs are offered in various technologies including Cloud Computing, Virtualization, Android etc... Interested students pursuing B.Tech MCA and other IT / CS courses may also apply to join as Project Associates at our various branches

OSBDC & OSBRC

(Open Source Based Development Centre) & (Open Source Based Research Centre)
OSBDC, the Open Source Based Development center of IPSR was started in 2008 at Kochi, the IT hub of Kerala, with a vision to concentrate more on development in open source. The venture focus on development in emerging open source technologies like PHP. The recently launched OSBRC, the Open Source Based Research Centre facilitates high-end research and learning in Open Source technologies.

RHCSS @ new heights

IPSR is setting records for RHCSS (Red Hat Certified Security Specialist) as well. Now IPSR owns the title of being the partner which has produced the highest number of RHCSS around the world. This record has resulted in a higher inflow of students from around the globe to do RHCSS at IPSR.

Top Achievers

Mr. Amit Caleechurn from Mauritius is a graduate in Information Systems and also Novell certified Linux Administrator. He joined IPSR to know more about open source technology. Amit is the fourth RHCDs from IPSR.

Mr. Dhaval Soni became the First RHCA to get certified from IPSR. Mr. Soni who is a Linux System Engineer is one among the privileged few to grab this achievement

Mr. Rejy M. Cyriac, of IPSR became an RHCA. He is also an RHCE, RHCSS, RHCVA & RHCDs. He is now one among the privileged few to have all the certifications offered by Red Hat in India

Mr. Tejas Sevak is from from Gujarat, one of the most industrialized states in India. He took his B.Tech from Gujarat University. He did his RHCA at IPSR Kochi.

Mr. Sandeep T. Y. student of IPSR Calicut becomes the second successful CCIE from IPSR.

RHCSS @ just 13 years

Rajat Mendus and Rohan G Nair, both students of IPSR became RHCSS at the tender age of just 13. Earlier they were in the limelight when they became RHCE certified three years back. Both the kids are planning to continue their flair for Linux and to do higher certifications.

Splendid success for RHCVA & RHCA

After the launch of RHCA, the capstone certification in Red Hat Linux, IPSR saw a steady flow of students from all over India and overseas to get trained for RHCA (Red Hat certified Architect). IPSR is also reaping steady success out of RHCVA (Red Hat Certified Virtualization Administrator) certification from Red Hat. The certification is performance-based, like all other Red Hat Certifications. RHCVA batches are conducted every month based on the enormous response from students.

Placement Drives & Job Fairs

ipshr career center team successfully organized mega Jobfairs at various locations including Kottayam, Kochi, Kozhikode Kollam, Palakkad etc... Separate recruitment drives were also organized for companies including Wipro, HCL, Genpact etc... With a student volume of over 2 lakhs, ipshr career center is now one among the top players in IT placement services in South India.

Presently 10 companies are recruiting RHCE candidates through IPSR. Opportunities for linux professionals are at an all time high and more companies are recruiting Linux professionals.

IPSR International Centre attracts Foreign students

The newly launched International centre of IPSR at Kochi is attracting foreign students from different parts of the world. Comparatively lower fee structure and tempting pass rates at IPSR is pointed out as the main reason for this phenomenon. Students from regions including America, Europe, Africa, Gulf region, Australia and Far East are pouring in to do various Red Hat certifications. Mr Zul from USA, Mr Olanposi from Nigeria, Mr. Ken from Germany, Mr. Tim From Kenya, Ms. Bayan from Japan, Mr Frank from Ghana, Mr. Amit from Mauritius are some of the overseas candidates who did their certifications recently at IPSR.

Foreign students enjoying a houseboat ride

What students speak about us

"Training from IPSR was an admirable experience. I came to know about IPSR from some of my colleagues who took Red Hat Certifications from this reputable institution. I am totally satisfied with the way of training given at IPSR.

Akbar N K, OC Engineer, Yahoo Software India Pvt Ltd, Bangalore

"The experience over here is beyond words. I enjoyed a lot and I seized an exhaustive knowledge about Linux and its applications. Anyway I'm the first certified RHCSS from the whole of Africa"

Amit Caleechurn, Systems Engineer, Mauritius
